# BALTIC SEA PHOTO COMPETITION

WIN A STATE OF THE ART BRAND NEW IPAD!!!!

Submit your photo with the Baltic Sea and 300 words

**Do you live or recreate in the Baltic Sea Region? Is the Baltic Sea changing and has this affected your activities in relation to the Sea? Answer these questions in the way you see it through **your camera and understand it with your own words**, through your living experiences with the Baltic Sea.**

*Stay open to your ideas of all forms of actions and experiences, modes of doing and ways of being, or skills and knowledge related to coastal areas and archipelago of the Baltic Sea. Stay open to all possible actors, both humans and non humans. Is it a living environmental heritage or in danger of vanishing? Is it connected with changes in flora and fauna, in climatic phenomena or in seasonal change? Or something else?*

*Tell the project about your relationship with the Baltic Sea through your photo for a chance to win an ipad!*

**Submit** your entry (a photo and 300 words)  
to: [seaherblog@gmail.com](mailto:seaherblog@gmail.com)
